GENEVA CAPITAL

PARTNERS

Fund Objective

31st October 2022

The fund's objective is to achieve superior market returns by primarily investing in the European corporate bond market, using conservative levels of leverage, whilst preserving investor capital.

Investment Strategy

Geneva Capital Partners manages risk through a research driven approach which is underpinned by fundamental credit analysis. Risk is mitigated through an uncorrelated diversified portfolio with a maximum position concentration of 5%. The fund is invested across the European high yield corporate bond market, with no exposure to structured products or financials.

Disclaimer

These materials are for discussion purposes only and are being disclosed to you on a confidential basis and are solely for the use of the recipient. These materials have been prepared by and are proprietary to Geneva Capital Partners LLP ("GCP") and may not be distributed, copied or shared with any party other than with the prior written approval of GCP. These materials have been prepared for the exclusive use of GCP for the purpose of obtaining indications of interest from prospective investors in connection with a possible investment opportunity (the "Opportunity").

These materials do not constitute an offer to sell or a solicitation of an offer to buy interests in any entity or fund (if any) that may result from the proposed investment strategy. Any such offer or solicitation may be made only by the delivery to a prospective investor of a definitive confidential offering memorandum ("Memorandum") and agreement of limited partnership or other organisational document ("Agreement"). Before investing, prospective investors should carefully consider the risks described in the Memorandum (if any) or other disclosure materials.

The description of certain aspects of the Opportunity is a condensed summary only. A number of factors material to a decision whether to participate or invest in the Opportunity have been presented in summary or outline form only, in reliance on the financial sophistication of the potential investors. Any information contained is subject to change and is qualified in its entirety by reference to the Memorandum (if any), Agreement or other disclosure materials.

The information contained is subject to updating, completion, modification and amendment. No representation or guarantee is being made as to the future investment performance of the GCP. Any information, and in particular any calculations, contained or otherwise presented to any prospective investor is not intended to predict actual results, which will differ, and may differ materially, from those illustrated in the information presented. Prospective investors should consider whether the methodology described related to the Fund should be tested based on different and/or additional assumptions from those included.

Securities (if any) are only offered through GCP and other authorised placement agents pursuant to a final offering document.

Each prospective investor is urged to consult with its independent financial advisor, lawyer or accountant as to legal, tax and related matters to which it may be subject under the laws of the country of residence or domicile concerning the possible investment related to the Opportunity. An investment in the assets described in this document, if such offering is consummated, will involve certain risks. A detailed list of risk factors will be included in the Memorandum (if any) or other disclosure materials. An investor should not make any decision to invest until after such investor has had an opportunity to read and review carefully these documents.
